

360°LPT - Reading

La prueba Reading de 360°LPT está dividida en tres secciones:

SECCIÓN	Nº PREGUNTAS	TIEMPO DE ADMINISTRACIÓN
Oraciones incompletas	30	
Textos incompletos	10 preguntas (2 textos con 5 preguntas cada texto)	
Textos independientes	10 preguntas (2 textos con 5 preguntas cada texto)	
TOTAL READING	50	25 MIN.

1. **Oraciones incompletas:** el examinando leerá una oración a la cual le ha sido extraída una palabra o un grupo de palabras y deberá seleccionar qué opción de entre las cuatro que se le proporcionan se ajusta mejor a la situación.

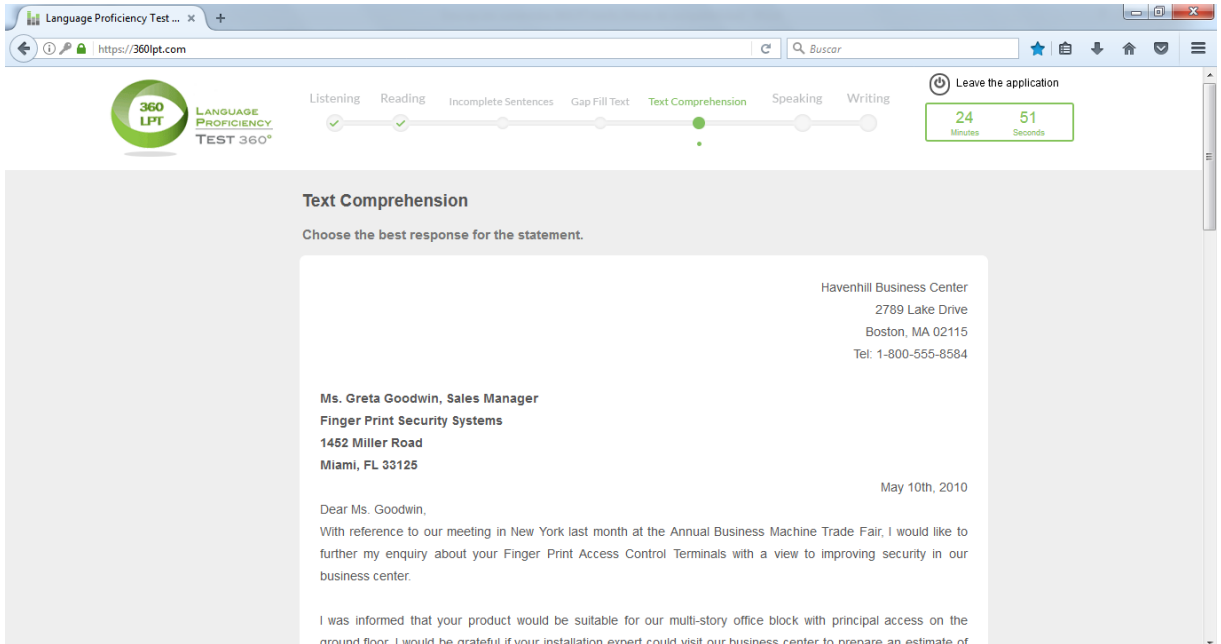

The screenshot shows a web browser window with the URL <https://360lpt.com>. The page displays the 'Language Proficiency Test' interface. At the top, there is a progress bar with sections: Listening, Reading, Incomplete Sentences (active), Gap Fill Text, Text Comprehension, Speaking, and Writing. A timer shows 24 minutes and 57 seconds remaining. The main content area is titled 'Incomplete Sentences' and asks the user to 'Choose the best response for the statement.' There are six numbered items, each with a dropdown menu for the answer:

- 1 Applicants for the [] are interviewed by the Human Resources Manager. 1
- 2 The accounting books are [] my desk. 2
- 3 [] does it cost to send a package by messenger? 3
- 4 Ms. Taylor [] my boss for 10 years. 4
- 5 You booked me a room for two nights in Chicago. []? 5
- 6 [] 6

2. **Textos incompletos:** el examinando leerá un texto al que se le habrán extraído cinco palabras o grupos de palabras y deberá seleccionar, para cada espacio en blanco, qué opción de entre las cuatro que se le proporcionan se ajusta mejor al texto, teniendo en cuenta todas las respuestas proporcionadas. Este texto podrá pertenecer a las siguientes categorías: e-mail, carta, informe o artículo, y el registro utilizado puede oscilar desde neutro hasta formal.

The screenshot shows a web browser window with the URL https://360lpt.com. The page features a progress bar with sections for Listening, Reading, Incomplete Sentences, Gap Fill Text (highlighted), Text Comprehension, Speaking, and Writing. A timer shows 24 minutes and 55 seconds remaining. The main content area is titled 'Gap Fill Text' and asks the user to 'Choose the best response for the statement.' The question text is: 'Do you really know the price of your telephone calls? Are you fed up with hidden extra costs? At Ludotel we [] the best rates ever with no add-on costs to surprise you. We've even standardized our rates to make it [] than ever. We are [] only company that guarantees benefits AND cheap rates! [] us today and receive a new cell phone, [] of cost! Ludotel, where the only surprises are good ones!' There are five dropdown menus for selecting the best response. A 'Continue' button is located below the question.

3. **Textos independientes:** el examinando leerá un texto en base al cual deberá responder a entre 2 y 5 preguntas teniendo en cuenta la información proporcionada. Este texto podrá pertenecer a las siguientes categorías: e-mail, carta, anuncios o artículo; el registro utilizado podrá oscilar desde neutro hasta formal.

Text Comprehension

Choose the best response for the statement.

Ms. Greta Goodwin, Sales Manager
Finger Print Security Systems
1452 Miller Road
Miami, FL 33125

May 10th, 2010

Dear Ms. Goodwin,

With reference to our meeting in New York last month at the Annual Business Machine Trade Fair, I would like to further my enquiry about your Finger Print Access Control Terminals with a view to improving security in our business center.

I was informed that your product would be suitable for our multi-story office block with principal access on the ground floor. I would be grateful if your installation expert could visit our business center to prepare an estimate of

What kind of text is this?

1

- A formal letter
- An e-mail
- A memo
- An informal letter

What is the purpose of the text?

2

- To inform a customer about a vacation period
